

## *Pay It Forward*

*Giving back makes the world a better place.*

*At The Pavilions, supporting the local community and environment is at the heart of what we do*

*99% Plastic Free* initiative across departments to minimize use of single use plastic, both front of the house and back of the house:

- Use of banana wrap and recycled paper
- Reusable food covers
- Bamboo/paper straws
- Recycled paper shopping bags and package material at boutique
- Breakfast to go presented in bamboo baskets
- Supplier food deliveries in reusable containers
- Only reusable crockery, glassware and cutlery provided in staff areas
- Bathroom amenities presented in refillable containers
- Individual water dispenser in each villa and refillable glass bottles

## *Waste & Energy Management*

- Waste separation in partnership with selected suppliers, logistics vetted from collection through to recycling facilities
- Food waste upcycling in partnership with [Magifarm](#)
- Battery and light bulb collection program
- A/C power saving settings for each villa category
- Hotel wide Energy Saving Campaign for back of house areas

## *Guest Experience*

- [Go Green](#) guest program
- "Green Choice" program rewarding guests who decide to opt out of daily Housekeeping services
- Local & natural materials utilized in all villas & decorative elements
- Indonesian arts & crafts only sold at boutique
- Organic bathroom amenities and Spa products handmade in our Spa Kitchen

- Reusable straw beach basket available for guest use in each villa
- Repurposed drinking glasses made from bottles at Pool Bar
- Spa garden growing natural ingredients for facial & body treatments
- Replaced printed guest collateral with The Pavilions Web application accessible via QR code, providing guests with up-to-date destination information, bookings for curated experiences, as well as live chat with our team.
