Booking Information

Kantabile Afrika

Pricing for single/double is per person, per night, in US Dollars.

All units are suites with the same square footage but can be configured differently.

Supplement for additional occupant(s) in the same suite is indicated.

Maximum occupancy in one suite is 3 adults, or 2 adults and 2 children.

Each of the tented suites (50m²) has a separate living area, oversized bedroom, and en-suite bathroom with double vanities. A private verandah furnished with lounge chairs provides panoramic views over the Serengeti landscape.

For double occupancy, either a king-size bed (180cm) or two large single beds (120cm) will be provided. Please indicate guests' desired bedding configuration when booking.

For triple occupancy, a queen-size mattress (150cm) will be placed on the convertible sofa in the living room, transforming the space into an adjoining bedroom.

For quadruple occupancy (family suite), the options are the addition of a queen-size bed (150cm) to be shared by two young children or two single beds (120cm) to be placed in the living room area, transforming the space into an adjoining bedroom.

A **maximum of 1 single room** can be booked at the single room rate per reservation during peak season. Additional single rooms (i.e. from the 2nd one) will be charged at double room rate (minus board for 1 person). During high/green season, a maximum of 2 single rooms can be booked per reservation. Additional single rooms (i.e. from the 3rd one) will be charged at double room rate (minus board for 1 person).

Bookings leaving a 1-night gap at the same property are not permitted

Check-in/Check-out time: 14h00 / 10h00. Guests are welcome to arrive early for lunch or depart late after lunch and relax in the main area of the camp. However, when the camp is at capacity, we may ask the guests to vacate their rooms to allow the housekeeping team to prepare for the arriving guests. Early check-in and late check-out requests are subject to availability. Additional charges apply.
