Time to Repair 2024

Dear Travel Partner,

At ZURI, we want to go above and beyond. In order to maintain the high quality of our services, we have scheduled essential maintenance from May 1st to May 31st, 2024.

During this period, the resort will remain open, but certain areas will be undergoing renovations at different intervals:

1-15 May: The swimming pool will be temporarily unavailable. However, our guests will have the privilege of enjoying the pristine shores of Africa's most beautiful beach, free from any tide effects, for a refreshing swim throughout the day.

15-22 May: The Bahari Beach Grill & Bar will be receiving a rejuvenating touch. In the meantime, guests are invited to relish their beachside indulgences at the Dhow bar.

1-31 May: While our Reception area will be under construction, we extend a warm welcome to our guests at the Ocean Front Suite zone, turned into the temporary reception, conveniently located next to Maisha Resto & Bar.

1-31 May: Maintenance activities will also be underway at Upendo Restaurant and Peponi Bar. Buffet style dinner will be served at Maisha Resto & Bar during this period.

As a token of our appreciation, all guests residing with us during this period will enjoy 15% accommodation discount, courtesy of our 'Time to Repair' offer.

Should you have any further inquiries or require additional information, please do not hesitate to reach out to us.

Thank you for your continued partnership and collaboration.
